

Quick Facts

Hero:

Logan Albino

Grade:

6

Learned Skill:

Parents

Saved:

Classmate

EVERYDAY HERO STORIES:

A Life Saved

Logan Albino was eating lunch when he saw a classmate clasp his neck. At first Albino thought it was a joke, but quickly realized his friend was choking when he turned red.

Albino performed the Heimlich Maneuver and saved his classmate's life.

After several thrusts a piece of the student's sandwich flew out.

Albino's parents are both first responders and they taught him the maneuver.
